# SCHOOL LIFE — AROUND

## FOREWORD

Here is an invitation to follow the course of a typical day, year, or era of school life. Watch us in carrying out our theme: "School Life—Around and Around It Goes"; and please join us in living, thinking, learning, and playing at Ross.

When seven o'clock rolls around each morning, many not-too-cheerful Ross students may be shutting off their alarms. In the case of the Diegmann twins, Fred and Frank, this alarm clock may be inviting double trouble as its noisy ringing interrupts two dreaming slumberers. Its ringing also indicates the commencement of another school day filled with over-whelming discoveries in knowledge and a constant whirl of social activities. This day will start on schedule at 8:30 A.M. with Mr. Thomas's making announcements, and will follow its familiar routine around the clock, with few exceptions. One of these might be a soon-to-be-due theme. Judy Schwab is keeping her fingers crossed and madly racing with the clock in order to meet her theme's deadline. This situation is familiar to all of us as we go around and around with school life.

A routine part of the school day is waiting in that long, long line for lunch. We all discover, though, as these boys have, that there is an end to the line—at the cash register.

Food takes time to digest, as Dave West must take time after eating to rest. He thinks fifth period study hall is the best place for this; but he may have changed his mind when the study hall teacher returns.

## SCHOOL PERSONNEL

Have you ever wondered yourself as a student surviving a study hall of teachers? Actually, the teachers here are willing to have a brief teachers' meeting. The entire administration does not consist of just teachers, however. It includes our superintendent, principals, the board of education, custodians, and bus drivers along with the teachers. Without all of these people, our school could not exist and our knowledge could not increase.

## BOARD OF EDUCATION

The Board of Education of the City of Richmond, Virginia, is composed of five members. The first two are elected by the voters of the city, and the other three are appointed by the Board. The Board is composed of Mr. Walter Cline, Mr. Guy L. Scott, Mr. Percy Ferguson, Mr. John Ferguson, and Mr. Walter B. Scott.

Superintendent Guy L. Ferguson has worked in cooperation with the School Board to make many improvements in the Richmond public schools. He is now working on a plan to improve the schools in the city.

## SUPERINTENDENT

## PRINCIPALS

The principal of the school is Mr. Vernon Thomas, who is assisted by Mrs. Kay Jackson, his secretary. Mr. Thomas is also the principal of the elementary school, and he is in charge of the school's work. Mrs. Jackson is the principal of the high school, and she is in charge of the school's work. Mr. Thomas is also the principal of the school's work, and he is in charge of the school's work.

## THE JUNIOR CLASS IS

The Junior Class officers sustain a 'heavy burden' of duties since the junior year is one of the most active years in their school life. Besides the numerous sales, record hops, and presenting the class play, the juniors sponsor two of the biggest dances of the year—the Homecoming Dance and the Junior-Senior Prom. This is the year when the class members begin to "labor" toward the most important event of high school life—the class trip

# ELEMENTARY

THE ELEMENTARY SCHOOL is a place where the child learns to read, to write, to think, and to live. It is a place where the child learns to be a citizen, to be a worker, and to be a man or a woman. The elementary school is the foundation of our society, and it is our duty to make it the best it can be.

The group also takes part in the Christmas program and many other school functions and plans to present a program in Hamilton.

The Junior band is also under the supervision of Mr. Buchanan and is for students in grades five, six, and seven. The full group rehearses once a week and holds sectional rehearsals once a week. They take part in the Spring Band Concert and many events throughout the county.

The *Rosstonian* staff labored hard to produce the 1961 yearbook. The co-editors, section editors, managers, and photographers held positions which demanded responsibility and consistency. The various members of the staff met once a week and often stayed until the "moon came over the mountain." Mrs. Leola Cox is the adviser of the *Rosstonian*.

## ARE REFLECTIONS

Bill Gabbard, Mary Ann Mergv, and Sara Congleton are kept busy "squeezing," "stretching," and correcting errors.

Co-editor Birdella Tackett informs Patty Eschenbrenner, Linda Reinhardt, and Donna Statzer that typing corrections will have to be made before the piece is ready.

The *Ross Rays* staff's most important responsibility is the issuing of a school paper every other week. The staff consists of journalistic-minded students who enjoy hard work and "late hours" for this job demands a great deal of both. Mrs. Mary Ann Saulcy acts as adviser.

The senior band, under the direction of Mr. Thomas Buchanan, is composed of talented musicians from grades seven through twelve. This group is active during the entire year beginning with performance at the county fair. During the football season, the "Marching Maroon" presents half-time shows with precision marching and dance routines. The band forms pep bands for entertainment at all home basketball games. After the sports season is over, the band is not finished, it prepares for concerts and contests.

Chief money making projects are the sale of the World's Finest Chocolate and the annual Tag Day during which the members play in and canvass the Ross Township communities. The group has practice every eighth period and bi-weekly sectional rehearsals. During the summer the marching band drills for two hours during two evenings in the week.

One, two, three, four lift your feet and point your toes! This is one of their routines a "run through" before a contest presentation.

Ompelt's Jim Weaver records his suspense in a band rehearsal room. The school has several rehearsal rooms available to band members for this purpose.

# ATHLETICS

Sports could not be the success they are were it not for the long, grueling hours of practice—practice that begins with the miserable, hot hours of summer in preparation for the football season, followed by many a late-night work out on the hardwood. The baseball player will never forget the cold days of early practice, nor the track boys who put forth that extra effort to cut down their time for the approaching meet. Yes, practice develops the individual; but in a larger sense, sports develop the school

## *Your Own Princess Phone*

What teenager wouldn't get excited over having her very own Princess phone. Think what a joy to use a phone that's scarcely bigger than your hand — that feels light as a feather — with a dial that glows softly, lights up brightly whenever you pick up the receiver.

You'll enjoy calls more in your own room on your own Princess phone. And, the monthly charge is so low that you may be able to pay for a Princess extension yourself. For more information, call our business office, EXchange 6 9900.

W. D. Donigan

School life—around it goes; and where it stops, nobody knows—and the five of us were spending the year going around; we knew not where! Yes, we were going in a circle centered around the 1961 ROSSON-IAN—and Mrs. Cox's desk. On Mrs. Cox's desk could be found finished copy sheets, unfinished copy sheets, oddly assorted pictures, and a stray staff member, or two. This desk served as a staunch foundation for a tired mind, tired feet, or just a tired editor. We spent hours there devising sales techniques and schemes to sell more yearbooks than ever before. We tried patience as we doggedly planned pages and layouts. We "washed our brains" there as we searched for original and clever ideas. We practiced our 'rithmetic there as we cropped

and proportioned pictures. Even once in a while we cried salt water into our Cokes there as we worked during those dark hours to meet an approaching deadline. Oh, those dark hours! They were nights to remember! We will never forget the night the janitor almost locked us upstairs. Nor will we forget the false fire alarm—the alarm which was genuine enough for us to snatch all copy sheets and pictures in sight and run! Of course all the worrying and working will be worthwhile as we see the yearbook in print. The staff will be dancing in circles—and we hope everyone else will be "dizzy" over the '61 ROSSON-IAN.
